114 schools plan to participate in Milwaukee Parental Choice Program

MADISON — One hundred fourteen private nonsectarian and religious schools registered with the Department of Public Instruction by the Feb. 1 deadline to accept students through the Milwaukee Parental Choice Program for the 2010-11 school year. The list of participating schools includes eight new schools that registered and completed required fiscal training.

The Milwaukee Parental Choice Program allows low-income Milwaukee students to attend participating private or religious schools located in Milwaukee with no charge for tuition. City of Milwaukee parents who wish to enroll their children in a private or religious school participating in the state’s voucher program next fall should contact schools for application information. Application forms also are available by contacting the DPI (toll free) at 1-888-245-2732 (press 3) or by downloading the form from DPI’s website at <http://dpi.wi.gov/sms/choice.html>.

When registering with the DPI, each participating school selects which open application period or periods it will accept student applications. Schools are limited to accepting applications only during that time. If the number of eligible student applications received during a specified open application period exceeds choice enrollment limits at the school, the school must use a random selection process to determine which students will attend under the choice program. Choice schools must send written notification of students’ acceptance or denial within 60 days of the application being submitted to the school.

A list of schools that plan to participate in the Milwaukee Parental Choice Program for the 2010-11 school year, including the schools’ open application period or periods, follows. Schools marked with an asterisk (*) will be new to the Milwaukee Parental Choice Program in fall 2010. Schools new to the program for fall must, by Aug. 1, submit a certificate of occupancy and must obtain pre-accreditation from the Institute for the Transformation of Learning at Marquette University in Milwaukee.
