

Message from the Director

Sharon Wendt

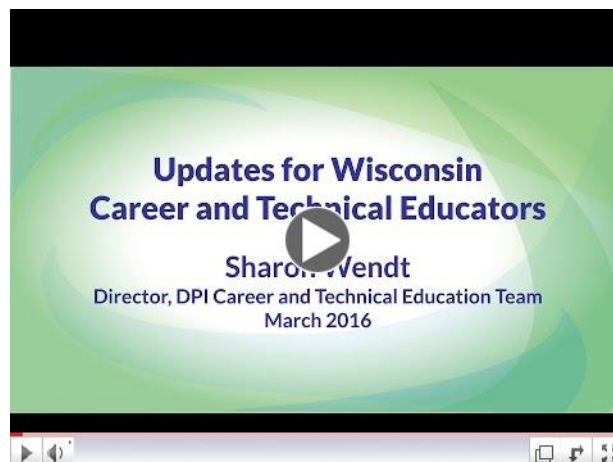

Team Director

Career & Technical Education

Happy Spring!

This is our Spring edition of the CTE newsletter. There are lots of updates and other information included. Our team is available to assist you as you wrap up the school year.

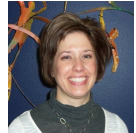

We'd love to spotlight your college and career success stories through our social media platforms. Please click [here](#) for the submission form-- we look forward to showcasing your CTE programs in the future!

Personal Financial Literacy Grants

The Department of Financial Institutions and the Department of Public Instruction are offering PFL grants with a focus on student loan debt again for the 2016-2017 school year. Grant submissions are open until April 20, 2016. More information and the application at <http://dpi.wi.gov/finance/grants>.

Carl Perkins Grants

Budget Revisions

A friendly reminder that 2015-16 budget revisions based on reallocation numbers are due April 15. It is recommended to complete revisions as soon as possible. A copy of your current budget is kept with our team and a copy is shared with the Federal Aids and Audit team. As claims are submitted to Federal Aids, they need to match your budget. Any discrepancy would hold up your claims.

CTE Incentive Grant Funding

In 2015 authority for programming oversight and funding of CTE Technical Incentive grants passed to the Department of Workforce Development (DWD). DPI issued applications to receive these funds on October 23, 2015. Over 250 school district applications for Class of 2015 graduates were received by the due date on December 15, 2015. Verification of the more than [read more...](#)

WISELearn

Have you heard about WISELearn? Visit <http://dpi.wi.gov/wisearn> and share information with your instructional leaders about the wide array of resources the Department of Public Instruction is building to support your local school district. Get updates about the critical **What, Why, and How** in order to take advantage of these new statewide tools. [Read more...](#)

Google+ Communities

WISELearn, our state's educator portal, has created discipline-specific communities designed to support Wisconsin's educators. These social networks consist of professional learning communities where educators can connect, communicate, and collaborate.

Please encourage your CTE teachers to join this new platform for professional development.

Join our WISELearn CTE Communities at:

- [WI DPI Agriculture Education / FFA / WAAE](#)
- [WI DPI Business & IT Education / FBLA / WEBIT](#)
- [WI DPI Family & Consumer Science Ed / FCCLA / WFCE](#)
- [WI DPI Health Science Education / HOSA / HOPE](#)
- [WI DPI Marketing Education / DECA / WMEA](#)
- [WI DPI Technology & Engineering / SkillsUSA / WTEA](#)

Once your request is confirmed, you can access and enjoy your educator community. Within the community you can share your questions and answers with peers while connecting over the triumphs

and challenges of teaching. We hope to see you there!
