# Simple Search:

Use the search box on the homepage.

Enter keywords and find documents on your topic of interest. This searches full-text of the document and the record describing the document.

## Search Tip

The Simple Search matches the word as it appears in any context.

*Searching for "beaver" will also return results about Beaver Dam as well as documents about the animal.*

## Search Tip

Not sure how the word ends? Use wildcard searching by putting \* at the end of a word.

*Searching for "Test\*" will give you results for "test," "tests," "tested" etc.*

# Advanced Search:

Build a more specific search by searching part of the record that describes the document.

## Search Tip

If you know what document you're looking for, use the Title search in the Advanced Search options.

- Select Title from the drop down
- Enter the keywords of the title
- Click Search
