RE: Data Errata

To whom it may concern:

This letter is to correct the School District of Abbotsford's Immigrant Data.

DPI's WISEdash snapshot is showing an incomplete count for 21-22 and 22-23 school years immigrant students in the district. The correct number should be 31 for the 21-22 school year. The correct number for 22-23 should be 64 students. This information has been updated in Skyward, our SIS, for each individual students. The error was brought to our attention through the Title III immigrant grant. hence the update in Skyward, the request for the updated WISEdash snapshot data, and consequently a correction in the number of Immigrant students.

Year	Elementary	MS/HS	Total
21-22	24	6	30
22-23	37	12	49

Thank you for your assistance on this matter.

Sincerely,

*Georgia Kraus*
