Dear Ms. Jones:

This letter is to correct the School District of Baraboo's October 1 Child Count Data.

DPI's WISEdash snapshot is showing a count of 426 students on the October 1 Child Count for the 2020-2021 school year. The correct WISEdash October 1 Child Count number should be 427.

The high school student's IEP was not locked, so it was not originally counted for the snapshot. This has been corrected, and we are now showing the correct number in WISEdata.

Thank you for your assistance on this matter. If you have additional questions about this notice, please contact me at (608) 355-3958 ext. 1530 or by email at [myates-wickus@barabooschools.net](mailto:myates-wickus@barabooschools.net)

Sincerely,

Michele Yates-Wickus
