community, we deliver
a distinct educational
edge and prepare all
learners to be
successful and
contributing members
who serve and lead in
our global society.*

December 8th, 2023

Department of Public Instruction
PO Box 7841
Madison, WI 53707

To Whomever It May Concern,

This letter is to correct the Unified School District of De Pere's October 1 (and Third Friday of September) Child Count Data.

In WISEDash, our October 1 data indicated that on the snapshot date of December 5th, we had 596 special education students. However, it was discovered on that day that we had a student attending who should have had an IEP when he registered, but did not. Therefore, he should have been counted as a special education student on October 1, thus giving us 597 special education students districtwide.

In addition, this student should also be counted as a special education student for our Third Friday of September count. We list 80 students with disabilities at De Pere Middle School for the TFS count, but it should be 81 including this additional student. The correct count of students without disabilities should then be 593.

Thank you for your assistance.

Sincerely,

Josh Gauthier
Data and Assessment Specialist
