Re: Einstein Middle School Dropout Data for 2020-2021 on 12-07-21 Snapshot

To Whom It May Concern:

Please reduce the full-term dropout number for the 2020-2021 school year for Einstein Middle School in the Appleton Area School District by two leaving a total of zero potential dropouts due to the following:

- 1) One 8th grade student was exited at the end of the 2019-2020 school year as TC with an expected transfer to a high school in our district. However, the student enrolled in a private school for the 2020-2021 school year and the exit code was not updated to TNC. The exit code has since been corrected.
- 2) One 8th grade student was exited at the end of the 2019-2020 school year as TC with an expected transfer to a high school in our district. However, the student enrolled in an out-of-state school for the 2020-2021 school year and the exit code was not updated to TOS. The exit code has since been corrected.

Thank you for your assistance in correcting our dropout number.

Sincerely,

*Joseph T. Bernhardt*

RE: Drop out data for James Madison Middle School in Appleton, WI

Please reduce the dropout number for the 2020-21 school year by one due to the following, leaving a total of zero potential dropout students for this year.

- A student left Madison Middle School in Appleton, WI in 2019-20. He was enrolled in the Ashwaubenon, WI school district with a different state ID.
- Because the DPI did not have the subsequent enrollment information for the State ID that we had in our system, and because the enrollment end status on the 2019-2020 record was "TC" indicating transfer to a WI school district, the student was calculated by DPI as full term dropout for the 2020-21.
- This student's duplicate state IDs have now been merged with DPI so enrollment records have been corrected.
- However, because this issue was not resolved prior to the December 2021 snapshot, the WISEdash Public Portal shows this student as the 1 dropout for the 2020-21 for Madison MS

Thank you for your assistance in correcting these records.

Sincerely,  
Andy Schanke  
Associate Principal  
Madison Middle School

*2020 Carpenter St., Appleton, WI 54915*
