Dear Ms. Jones,

This letter is to correct the School District of Denmark's December 8<sup>th</sup> snapshot data for Third Friday of September Enrollment.

One enrollment was not included in our data sent to WISEdata due to an error in the set-up of Ed-Fi in our SIS (Infinite Campus) for this student. The student is now reporting data to WISE correctly.

Two enrollments were changed from present/absent to not receiving services.

Please accept this data errata letter as notification of the error. Thank you.

Sincerely,

Joan Langenberg  
Director of Technology  
School District of Denmark
