Sub: Data Errata – Immigrant Files for 2023-24

To Whom it May Concern,

This letter is written to kindly make you aware that Eau Claire Area School District reported incorrect data for the 2023-24 school year regarding our immigrant population. Previously collected data regarding our immigrant population had not been updated properly due to staffing vacancies. The errors have been found and corrected in our student information system.

Please accept this letter of data errata to explain the discrepancy in our Immigrant Files for ECASD for the 2023-24 school year.

Sincerely,

Danielle M. Luer  
EL Coordinator
