Wisconsin Department of Public Instruction
PO Box 7841
Madison, WI 53707

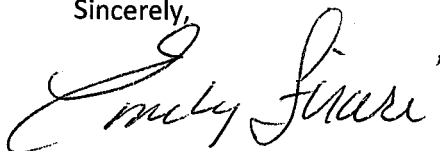

To Whom it May Concern:

The Horicon School District recognizes a discrepancy in WISEdash for Horicon Middle School and Horicon High School regarding 2020-2021 school year retentions.

Due to a glitch in our SIS, two High School students and two Middle School students were inadvertently marked as retained for the 2020-2021 school year bringing the total retained for the Horicon district to seven. The correct number of students retained is three.

Please accept this data errata letter as rationale for the discrepancy in WISEdash for the Horicon School District 2020-2021 school year.

Sincerely,

Emily Firari
Administrative Assistant
Horicon Middle-High School
