Wisconsin DPI Customer Services Team:

It has come to our attention that our SIS was not correctly reporting the number of students who qualified as immigrants under the definition set forth by Title III. We have corrected this issue for the 2019-20, 2020-21, and 2021-22 school years and are now reporting the correct numbers to Wisconsin DPI. This information can be viewed on the Student Demographic Data Export via the WISEdata Portal.

Please accept this correction for our application for Title III funding. Thank you for your assistance.

Sincerely,

Lanora Heim
Director of Pupil Services
