Dispute on Graduation and Absenteeism
Inquiry Code: G8G9U7

1. Student Group Chronic Absenteeism Rates, Single-Year
 - a. Year 2020-2021: Rate is 36.5% on state report card. We believe this is an error within PowerSchool system.

ERROR: SAS-4 (middle school grades 6-12th grade) absenteeism is 50%-ERROR-Power School glitch. System is only calculating half the year for every middle school student. Have opened a ticket to correct and recalculate.

Other campuses are showing the following rates below.

- SAS-5 (lower elementary grades K4-5th grade) absenteeism is 7.2%
- SAS-9 (upper elementary grades 3rd-5th grade) absenteeism is 5.5%
- SAS-HS (high school grades 9-12 grade) absenteeism is 4.3%

See attached ADA middle school report.

2. Student Group Graduation Rates
 - a. 4-year cohort graduation rate
 1. Report card indicates 121 students in the cohort with 92 students as graduates with a rate of 76%
 2. School Information System-PowerSchool indicates 96 students in the cohort. Of the original cohort, 96 enrolled, 20 students were no longer enrolled as seniors. Of those 20 students, we can account for 15 students that transferred or moved. The cohort percentage is in error at this time. See attached graduation rate report from PowerSchool.
