RE: 2022 Graduates Clarification

It has come to our attention that data regarding our 2022 graduates was not accurately reported in the December snapshot.

We have worked extensively with our Student Information System vendor to correct the error in both our SIS as well as in the export of information to the Portal.

Laconia High School had 72 students graduate in June 2022; three special education students have continued with the district and are still receiving services.

If you have any further questions or require additional information regarding this issue, please contact me at (920) 872-2161 or via email at rauedia@rbsd.k12.wi.us.

Sincerely,

Diane Raue
Principal
