Re: December 6, 2022 Snapshot for the 2021-22 School Year

To Whom It May Concern:

As of the Snapshot date of December 6, 2022, we are aware that no CTE Concentrators were submitted for the 2021-22 school year along with the Dropout Rate remained unacknowledged. We have since made the necessary code corrections in our Student Information System, which will help insure our data is reported accurately in the future.

Sincerely,

Dennis Hinderliter  
Technology Engineer
