To Whom It May Concern:

Please accept this letter as notification to the Wisconsin Department of Public Instruction regarding the Data Errata-Data Changes after DPI Publication.

After review of the year October 1st special education student count during the 2020-2021 school year, it has come to our attention that 2 students were reported incorrectly. These 2 students were reported as attending a private school within our school district boundaries, in actuality they were attending one of our public schools in the School District of Menomonee Falls. Both of the students were ages 3-5 on October 1, 2020.

Please accept this data errata letter as a rationale for the discrepancy of the number of privately placed students enrolled in the School District of Menomonee Falls for the October 1, 2020 count.

Sincerely,

Stacy Klemm  
Director of Pupil Services
