To Whom it May Concern:

As reported in the district employee salary section, one employee for the School district of Wabeno Area was listed as being 1.0 FTE with a salary of \$9576.000 for the entire school year. The employees 1.0 FTE salary was for \$38,200.00. The employee worked from August to October 2022 and then left the district because of a serious medical condition. They were paid for the time they worked in our district. Hopefully this clears up any confusion or questions in this matter.

Sincerely,

Jeffrey J. Walsh, district Administrator
