To Whom It May Concern,

The Stanley-Boyd School District operates Stanley-Boyd High (080) as well as the eSucceed (200) Charter School. Students, with permission, are allowed to take courses from either entity. There was a misunderstanding on identifying cross-entity coursework versus full-time enrollment in our SIS. Because of this, data for a full-time eSucceed student was reported under Stanley-Boyd High School and not under eSucceed for the December 6 Snapshot.

The student has now been correctly enrolled in the eSucceed (200) entity for the 2022-2023 school year and the attendance should be 100%.

Please accept this letter as official notification of the data error. We have established written guidelines for enrolling students full time in the eSucceed entity to ensure accurate data going forward.

Sincerely,

Renee Mahal
