To Whom it May Concern,

I am submitting this data errata letter on behalf of the Stevens Point Area Public School District.

It has come to our attention that we incorrectly reported some of our 2022-2023 school year data. Many students reported zeros for possible and actual attendance for Charles Fernandez Center and our Juvenile Detention Center. Upon reviewing the data, we recognized the issue was with student's scheduling error to report attendance in our student information system for those entities. We have corrected this issue in our system.

Please accept this data errata letter to explain the discrepancy in our Attendance Year End for the Stevens Point Area Public School District for the 2022-2023 school year.

Sincerely,

Carmen Kraklow  
Student Information System Specialist
