RE: 2022-2023 WISEstaff Data Errata

This letter is to provide corrections to the 2022-2023 reported WISEstaff information for the School District of Belleville.

One teacher showed on the audit as “Reported grade range outside license grade range”. This person was reported as grades K4 – grade 06. The correct reporting should have been grades 02-06.

In addition, there was a teacher reporting as “License not valid for this current school year”. This person has held a lifetime license and has submitted all required materials and application for renewal.

If you need any further information, please contact me at 608-835-6120 x 3200 or at schulzk@belleville.k12.wi.us

Sincerely,

Kelly Schulz
District Administrative Assistant/Human Resources Coordinator
