RE: 2023-2024 WISEstaff Data Errata

To whom it may concern:

This data errata letter to the DPI is to correct our errors and missing data in the information you have on file in WISEstaff for the Butternut School District.

- Lynn Little:
 - Fringe benefits should be listed as \$3,081 (previously listed as \$0).
 - Total experience should be 34 years (previously listed as 33 years).
- Dan Kilmore:
 - LEA experience should be listed as one year.
 - Total experience should be listed as 26 years.
- Laurie Fox:
 - Laurie Fox is listed as a teacher. She retired and no longer has a contract. She should be listed as a short-term substitute teacher. That would explain the errors in our data for her.

If you have any questions or need additional information, please feel free to contact me at 715-769-3434 x326 or jsmart@lightatorch.info. Thank you for your assistance in resolving this matter.

Sincerely,

Jennifer Smart
