RE: WISEstaff Data Errata

Medford Public School District is submitting this errata letter in order to correct the WISEstaff data for the 2020-2021 school year.

We had two errors related to licensing. This was associated with two of our new teacher hires for the Stetsonville school. They were both full time FTE's, hired 20-21 school year, coded as 0808 – Early Childhood, they should have been coded to 0800 – Cross Categorical.

Hiring and Working LEA	3409 – Medford Public School District
Working School	0320 – Stetsonville
Assignment Type	0800 – Cross Categorical (Change Needed)
Position	53 – Teacher
FTE	1

Please accept this correction as part of the 2020-2021 WISEstaff 1202 report.

Thank you for your time and attention to this correction.

Sincerely,

Ashley Harder
