RE: 2021-22 WISEstaff Data Errata

The intention of this data errata letter is to report and correct the reporting for the WISEstaff 2021-22.

The Necedah Area School District submitted a teacher's FTE incorrectly. On Final WISEstaff report we listed a teacher as 0.6 FTE when in fact she is 1.0 FTE.

While reviewing our assignment data for the 2021-22 WISEstaff report we discovered that the FTE for our school-year support staff was over-reported in previous years. Beginning with 2021-22 and moving forward, FTE will be calculated using DPI's guidelines of 2080 hours.

If you have any questions or need additional information, please feel free to contact me at 608-565-2256 x 118 or abel@necedahschools.org.

Thank you for your assistance in resolving this matter.

Sincerely,

Linsey Abel
