Re: 2021-22 WISEstaff Data Errata

This data errata letter is to correct the assignment for Lauren Aufderhar (#820636). Lauren's assignment for the 2021-22 school year was reported as Biology (grades 10-12), which is incorrect. Her assignment should have been reported as Earth and Space Science (grade 9) for the 2021-22 school year.

If you have any questions or need additional information, please feel free to contact me at 715-243-7443. Thank you for your assistance in resolving this matter.

Sincerely,

A handwritten signature in black ink that reads "Holly Butler". The signature is written in a cursive, flowing style.
