RE: 2022-2023 WISEstaff Data Errata

Pursuant with the 2022-2023 WISEstaff Final Audit Error Report for Salem School District, it was identified that we had one teacher reporting as "No Matching License Found". This teacher is working toward licensure as an Elementary Classroom Teacher and was reported in error as 53-0050 – 1.0 FTE. This teacher should have been reported as 53-0701 – .13 FTE (Social Studies) and 53-0300 – .87 FTE (ELA).

Additionally, there is one teacher reporting as "License Not Valid for this Current School Year". This teacher has a lifetime license and has submitted an application for renewal. The original Staff Report indicated that this teacher had a "Valid License Available".

If you have any questions or need additional information, please contact me at (262) 843-2356 x403.

Sincerely,

Diane Degen  
Administrative Assistant
