Department of Public Instruction

Staffing Report – Data Errata Letter for 2021-2022

We inadvertently reported the grades levels incorrect for one of our teachers.

We reported:

LEA 6335 School 0080 Position 53 – Teacher Area 0811 LD Grades KG – 04.

It should have been:

LEA 6335 School 0080 Position 53 – Teacher Area 0811 LD Grades KG – 03.

Thank you for your attention to this.
