Greetings,

**Regarding the December snapshot for 2020-21 school year:**

The Wrightstown Community School District has incorrect CTE Concentrator data for the 2020-21 school year. We have updated our SIS with the accurate information. We should have 170 CTE participants, 170 CTE concentrators, and 79 CTE graduates.

Please update our snapshot data to include the number of concentrators and graduates for our district.

Sincerely,

Carla Buboltz  
District Administrator
