* grade levels also include 5-12, 6-12, 7-12, 9-12 -- If educator holds a license at these grade levels, the new subject area will also have these grade levels. Thus, if someone holds a 7-12 Ag license, they can add Math, but the grade range will also be 7-12.

** Educators adding a social studies license must demonstrate adequate instruction in cooperative marketing and consumers' cooperatives (Wis. Stat. sec. 118.19[6]). If they cannot demonstrate such instruction when adding this license, they shall be given a statutory stipulation if the base license they hold is a provisional/initial license. If they hold a Lifetime license, they cannot obtain this license until they show proof of completion of such instruction. Educators who already hold a license that requires this stipulation DO NOT need to submit evidence of the stipulation with their license application.

*** Educators adding a science or social science license must demonstrate adequate instruction in the conservation of natural resources (Wis. Stat. sec. 118.19[6]). If they cannot demonstrate such instruction when adding this license, they shall be given a statutory stipulation if the base license they hold is a provisional/initial license. If they hold a Lifetime license, they cannot obtain this license until they show proof of completion of such instruction. Educators who already hold a license that requires this stipulation DO NOT need to submit evidence of the stipulation with their license application.
