Good afternoon,
 The Wisconsin DPI USDA Foods team has completed the order adjustment process for USDA Foods. You may now review your expected USDA Foods Orders for next school year.

To review annual order survey adjustments for SY 2023-24, login to the [Wisconsin USDA Foods Ordering System](#). Click on Program Year "2024", Program "NSLP". Under Summary, click on the "Surveys" tab, and click on "View".

You are now on the Survey Results screen, if you opted to participate in DoD next year, review the "DoD Adj" dollar amount in the upper right of the screen.

For [Direct Delivery \(Brown Box\)](#), State Processing, and [Direct Diversion products](#), refer to the "Adj" column for the number of cases and pounds. For direct diversion products, use the hyperlinks on the left to review the pounds by product and processor. Use the Month drop down to review Direct Delivery for each month.
