If you opted to participate in [DoD Fresh Produce](#) next year, review the “DoD Adj” dollar amount in the upper right of the screen. This is the amount that will be loaded into the

FFAVORS system in the summer for next school year. If you are new to DoD next school year, you will be receiving an email with more information about this program.

For [Direct Delivery \(Brown Box\)](#), and [State Processing](#) products, refer to the “Adj” column for the number of cases and pounds that your SFA can expect to receive next year. Use the Month drop down to review case quantities for each month.

For [Direct Diversion](#) and cheese rebate products, use the hyperlinks on the left to review the pounds by product and processor.

More instructions for using the *Wisconsin USDA Foods Ordering System* can be found on the [DPI USDA Foods Ordering System](#) webpage.
