

DPI Handling Fee Rates for School Year 2024-25 and Program Year status.

Program Year 2025 (SY 2024-25) and Uncertified Status

When you login to the [WI USDA Foods Ordering System](#) and click on Program 2025, you may see your Application is in “Uncertified” status. This status is pending information from Online Services Child Nutrition Contract and okay until the end of October.

Handling Charge Rates, SY 2024-25

DPI’s USDA Foods Handling Fees for next school year are posted to [Product Values and Fees](#) webpage.

- [DPI Handling Fees Fact Sheet](#)
- [Product Entitlement Value, Processing and Handling Fees](#) - USDA Foods product values are from November 2023.

For those SFAs that opted for state-contracted delivery, DPI’s delivery fees have increased from last year’s \$0.1047 to \$0.108 for the upcoming school year.

The handling charge rates by gross weight pound for SY 2024-25 are:

Fee Categories	Handling Fee Per Gross Weight Pound
Administrative Fee	\$0.006 per pound
Storage Fee	\$0.067 per pound
Delivery Fee (only for SFAs using state-delivery)	\$0.108 per pound
