

	<b>Severe Need Breakfast*</b>	<b>Afterschool Snack Program Area Eligibility**</b>	<b>Fresh Fruit and Vegetable Program</b>	<b>USDA Equipment Assistance Grant</b>	<b>Other Grants</b>
<b>What's used to qualify?</b>	Individual School ISP x 1.6	Individual School ISP x 1.6	Individual School ISP x 1.6	Individual School ISP x 1.6	Individual School ISP x 1.6
<b>Threshold to qualify?</b>	≥40%	≥50%	≥50%	Varies	Varies
<b>Time Frame?</b>	Data from two years prior	Data from most recent October lunch claim	Current data	Current data	Varies
<b>What happens for already established schools electing CEP?</b>	If school was non-CEP two years prior, use Free/Reduced/Paid lunch counts from two years prior to qualify.	Calculate the Free/Reduced percentage using data from most recent October lunch claim.	N/A	N/A	N/A
<b>What happens for brand new schools electing CEP?</b>	The school must wait for two years to achieve eligibility to elect Severe Need Breakfast (and must exceed the 40% threshold).	Once school is approved for CEP, the individual ISP x 1.6 is used to establish eligibility (and must exceed the 50% threshold).	N/A	N/A	N/A
<b>What happens if the school does not qualify for this program?</b>	Regular School Breakfast Program participation.	Claim snacks using the same Free and Paid claiming percentages used at the CEP school for lunch and breakfast.	School will not receive funding.	School will not receive funding.	School will not receive funding.

\*Schools must apply annually by site during online contract submission.

\*\*Once a site establishes area eligibility, the eligibility is effective for a period of five years.
