(For virtual meetings conducted during the pandemic shutdown, as a courtesy and convenience to the public, comments were accepted via email and read into the record as visitors were not accepted into the buildings.)

**President's Message and Announcements**

For those who might have missed the beginning of the meeting, she announced the results of the reorganizational election with her being elected president; Mitch Helmer, vice president; and Kate Unger, treasurer.

**Administrative Team Report**

**Student Representative Update**

Student Representative Nishi Upadhyay provided a video update of recent events at Eisenhower Middle High School.

**Superintendent's update**

Mr. Garza provided a COVID update highlighting that peak student and staff numbers remain to have been back in November. He noted that K-12 education staff will be eligible for vaccines on March 1, but that is dependent upon vaccine availability. He addressed Internet safety during the pandemic. He reminded all to remain vigilant in our protocols as they are working to keep the schools open.

**District Reports**

**Incident Report**

**Enrollment Report**

**Suspension Report**

#### **Donation Report**

There were no donations reported for the month of February.

#### **Consent Agenda**

##### **Approve Minutes of February 8**

##### **Financial Reports**

Motion by Kurth, Second by Helmer to approve the Consent Agenda as presented.

By a show of hands, the motion carried unanimously, 7-0.

#### **Regular Agenda**

##### **Diversity and Inclusion Presentation**

Mr. Garza provided a presentation on the District's efforts on Diversity and Inclusion, noting that the District's Strategic Plan guides the work with diversity embedded in the District's Goals and Vision. The College and Career Readiness approach identifies students' unique needs and talents despite diversity in preparing all students for college or a career. He noted a recent PATCH article that highlighted the events at the district schools regarding Black History Month.

Discussion followed regarding the content of the presentation with Board members expressing their varying opinions on the subject.

##### **Discuss/Approve the 4-year Facility Capital Project Plan**

Messrs. Garza and Miller provided an update on the long-range plan, noting that it is a "living" document requiring flexibility as funding fluctuates. They reviewed recent Board-approved projects.

Mr. Miller reviewed the usage and benefits of using Fund 41, the capital maintenance fund, noting that it is addressed during the Annual Meeting.

Motion by Kurth, Second by Helmer to approve the 4-year Facility Capital Project Plan as presented.

Discussion followed regarding the ESSER funds (via the CARES Act) the district anticipates receiving in the 2nd and 3rd rounds, with each round being greater than the preceding round; 2nd round funds may not be known until September. The special projects have been vetted by the Facilities Committee and are needs of concern, but not "urgent" other than the Eisenhower roof. Projected costs are estimates; have not gone through the formal bidding process. Mr. Garza noted that although there are asphalt projects in the plan, the priority is roofs over asphalt.

Mr. Garza informed the Board administration is seeking approval of the overall plan itself, not specific projects.

By a show of hands, the motion carried unanimously, 7-0.

##### **Discuss/Approve West Fieldhouse Soffits Repair/Replacement**

Mr. Garza noted that, although within the current Buildings & Grounds budget, this is a procedural item as required in the revised Purchasing policy requiring Board approval of expenditures over \$25,000 for capital projects.

Motion by Kurth, Second by Helmer to approve the West Fieldhouse Soffits Repair/Replacement as presented.

By a show of hands, the motion carried unanimously, 7-0.

City of New Berlin/West Allis West Milwaukee School District-resident Torin Misko presented his case in support of a Petition to Alter School District Boundaries requesting to detach his property from the WAWM district and attach to the School District of New Berlin. West Allis West Milwaukee School Board denied his petition earlier tonight. Should the New Berlin School Board approve the Petition, the Misko's may appeal to the Wisconsin Department of Public Instruction to settle the disagreement.

Motion by Kurth, Second by Helmer to approve the Petition to Alter School District Boundaries as presented.

Some discussion regarding the effect on funding and any potential future owners of the property should DPI approve any appeal.

By a show of hands, the motion carried 5-2, with Unger and Wondrachek dissenting.
