The petitioner has paid the required \$750 filing fee.

SDBAB hearings are held from late April through mid-May so that final orders may be issued by June 15. All hearings will be held in Madison and generally take between two and four hours to complete. A representative or representatives from your district may wish to participate. We have identified April 25, April 26, May 9, May 10, May 11, May 23, and May 24 as possible hearing dates. Hearings are generally held between 8:30 am and 4:00 pm, and two or three hearings may be scheduled on the same day. In order for us to try to accommodate the schedule of all participants, please inform us **by March 31** which of the dates a district representative would be available. We will do our best to schedule the hearing for a day that individual is available, but cannot guarantee that will occur. When the hearing schedule is finalized the district will be notified, in writing, of the date, time and location of the hearing before the SDBAB appeal panel.

PI 2.04, Wisconsin Administrative Code, directs that the **clerk of the school board of an affected school district** shall submit the following materials to the Secretary of the School District Boundary Appeal Board at the Department of Public Instruction (DPI):

3. A copy of the notice of any school board hearing on a petition or a resolution for reorganization; transcribed minutes, transcribed stenographic record, or transcribed electronic recording of hearing; and a correct copy of all exhibits and data submitted at the hearing. If the hearing was a joint hearing, the clerk of the school board from which said

territory is proposed to be detached shall submit the information.

4. Any written statement of facts and other relevant matters relating to a proposed reorganization.

Both districts are also asked to provide the following two items:

5. A class schedule showing the course offerings available in the school or schools that the children of the petitioners attend or would attend. Generally this is a two to three page summary - see the enclosed example.
6. School district map indicating location of properties under appeal.

These materials and summary information prepared by the department from district data already on file will be sent in advance of the hearing to the SDBAB panel members, the petitioners, and district representatives.

The required materials are needed no later than two weeks before the scheduled hearing. Though we have not yet finalized hearing dates your district may wish to assemble the materials described above and submit them as soon as is convenient. Please submit **eight (8) copies** of the requested information collated, **but not stapled**, in the following order:
