

Revision #34: October 2019. Effective immediately for 2019-20:

The following ACCOUNT changes are to the allowable SAFR accounts and WUFAR manual (including the matrices).

Expenditures:

1. Create Function 437000, Special Education Costs – Open Enrollment Financial Statement. Allow combination 27 E 382 437000 to account for the cost of special education associated with the special education open enrollment financial statement option.
2. Add Object 360 to many function combinations in the ancillary funds.
3. Add functions 218100 and 218200 to Fund 10 with the applicable Object combinations for 504 plan expenditures.
4. Add the function and object combination that are in Fund 10 for Social Work (Function 212000) to Funds 21, 29, and 91.
5. Add additional prescribed local optional codes for select support Functions and Object 370 as noted below in Appendix 1. Codes are currently required for grant reporting in WISEgrants for 2019-20 and will be required WUFAR codes for 2020-21. Definitions are not finalized and are subject to change with the 2020-21 release.

Revenues:

1. Create Source 347, Special Education Costs - Open Enrollment Financial Statement. Added combination 27 R 347 000000 to account for the amounts charged to another Wisconsin school district for the cost of special education associated with the special education open enrollment financial statement option.
2. Delete Source 711, High Cost Special Education Aid (IDEA portion). (High Cost Special Education no longer has a federally funded component). Also delete references to this aid in the definitions of Object 937.

Balance Sheet:

1. Add liability accounts to Fund 46 (matching the list for Fund 41).

The following additional modifications were made to the WUFAR manual:

1. Clarify Object 326, Site Rentals, refers to land space as opposed to building rentals, which should be Object 328.
2. Clarify Object 380s to remove “unless required to be reported elsewhere” for payments to other governmental units for services.
3. Clarify Source 263, Educational Program Sales, to broaden the definition to represent all educational program sales, including projects for vocational education, special education transition, or other similar activities.
4. Clarify examples in Function 299000
5. Function 179000, Other Special Needs, added “Instructional services related to 504 plans”.
6. Elimination of inconsistencies between the matrix and posted vendor file (where there is a conflict, the matrix is considered correct).
7. Retitle function 213000 as School Counseling.

Revision #34 will also include the WUFAR changes related to GASB 84 that were released as a pre-revision draft in August 2019. These include:
