Subject: Small Territory Detachment; Right to Appeal **File 19-25**

The petition, **file 19-25**, to detach property from the Somerset School District and attach it to the Hudson School District, has been denied. Petitioners whose property detachment requests have been denied have a right to appeal under the provisions of section 117.12(4), Wisconsin statutes.

The law provides that a majority of the electors residing in the territory, or the owners of 50% or more of the territory, may appeal the denial to an appeal panel by filing notice of appeal with the secretary of the School District Boundary Appeal Board **before** the March 15 following the denial. See s.115.01 (13), Wisconsin statutes, for a definition of electors.

The law further provides that the State Superintendent may charge a filing fee for such appeals. The appeal filing fee is \$750.00 – see <https://dpi.wi.gov/sms/school-district-boundary-appeal-board> for the fee schedule.

Enclosed is a form that may be used to file a notice of appeal. The request should be sent to the address noted and must be accompanied by the required filing fee. **The request and required filing fee must be received at the DPI, 125 S. Webster Street in Madison, by 4:30 p.m. on Thursday, March 14.** You may wish to consider Priority Mail or in-person delivery to ensure timely arrival. Materials received after March 14 will be returned as not timely.

If you have any questions, feel free to contact me at (608) 266-2803.

Subject: School District Boundary Appeal Board Hearing – File #19-25

We have scheduled the School District Boundary Appeal Board (SDBAB) panel to meet to hear the appeal of File No. 19-25 at the time and place noted below.

Date: 5/29/2019
Time: 2:30:00 PM
Location: GEF 3 - Room P41
125 South Webster Street
Madison, Wisconsin

In scheduling this appeal we have made every attempt to accommodate the preferences of all parties. If you are not able to participate on the scheduled date, you may send a representative or provide testimony in writing.

Information sent in March included an opportunity or request to all parties to submit certain materials to this office prior to the hearing. This information will be included in a packet to be provided to the SDBAB members, petitioners, and district representatives approximately one week prior to the hearing. You will also be provided a hard copy of the materials at the hearing so there is no need to print them out.

If you wish to provide additional written material for consideration by the panel, you must bring eight (8) collated copies and give them to the hearing facilitator at least 30 minutes prior to the scheduled hearing time. Presentations using digital materials may also be possible if you bring your own computer.

The SDBAB panel will deliberate and render its decision immediately upon conclusion of the testimony and rebuttal presented at the hearing.

A map of the hearing location is enclosed. Please be aware that, due to increased building security, you will need to enter the GEF 3 building on the Webster Street side and check in at the security desk. If you have any questions about the hearing or the procedures, please contact me at (608) 266-2803, janice.zmrazek@dpi.wi.gov, or Diane Sullivan at (608) 267-9248, diane.sullivan@dpi.wi.gov.

From: Janice Zmrazek, Secretary
School District Boundary Appeal Board

Subject: School District Boundary Appeal Board Hearing, **File #19-25**

A request for review of File #19-25, a petition to detach territory from the Somerset School District and attach it to the Hudson School District, has been filed with the Secretary of the School District Boundary Appeal Board (SDBAB) and is enclosed for your information. The petitioner has paid the required \$750 filing fee.

SDBAB hearings are generally held in May so that final orders may be issued by June 15. In order for us to try to establish hearing dates most convenient to the schedules of all participants, please inform us by **April 5** which of the following dates a representative from your district would be available to come to Madison where the appeal will be heard: May 7, 8, 23, 29, or 30.

Hearings are typically scheduled between 8:30 am and 4:00 pm. Hearings generally take between two and four hours and two or three may be scheduled on the same day. We will do our best to schedule the hearing for a day a district representative is available, but cannot guarantee that will occur. **When the hearing schedule is finalized the district will be notified, in writing, of the date, time and location.** If no district representative is available to attend on that day, written information may be submitted.

PI 2.04, Wisconsin Administrative Code, directs that the **clerk of the school board of an affected school district** shall submit the following materials to the Secretary of the School District Boundary Appeal Board at the Department of Public Instruction (DPI):

1. A certified copy of any resolution related to any reorganization proceeding under Chapter 117, Wis. Stats. **(If a resolution has already been sent to the DPI, it is not necessary to send another copy.)**
2. Any reorganization order filed as required under sec. 117.17, Wis. Stats. **(If there is no reorganization order or a reorganization order has already been sent to the DPI, it is not necessary to provide a copy.)**
3. A copy of the notice of any school board hearing on a petition or a resolution for reorganization; transcribed minutes, transcribed stenographic record, or transcribed electronic recording of hearing; and, a correct copy of all exhibits and data submitted at the hearing. If the hearing was a joint hearing, the clerk of the school board from which said territory is proposed to be detached shall submit the information.
4. Any written statement of facts and other relevant matters relating to a proposed reorganization.

Both districts are also asked to provide the following two items:

5. A class schedule showing the course offerings available in the school or schools that the children of the petitioners attend or would attend. Generally this is a two to three page summary - see the enclosed example.
6. School district map clearly indicating the location of properties under appeal.

These materials and summary information prepared by the department from district data already on file will be sent in advance of the hearing to the SDBAB panel members, the petitioners, and other district representatives.

The required materials are needed no later than two weeks before the scheduled hearing. Though we have not yet finalized hearing dates, your district may wish to assemble the materials described above and submit them as soon as is convenient. Please **submit eight (8) copies** of the requested information **collated, but not stapled**, in the following order:

- A copy of the resolution . . . (#1 above)
- A copy of the reorganization order . . . (#2 above)
- A copy of the notice . . . (#3 above)
- Any written statement of facts . . . (#4 above)
- Class or teacher schedule for the relevant school(s) . . . (#5 above)
- School district map indicating location of properties under appeal . . . (#6 above)

Please send the materials to:

Secretary, School District Boundary Appeal Board
Department of Public Instruction
P.O. Box 7841
Madison, WI 53707-7841

Your prompt response will ensure that the panel members will have sufficient time before the hearing to read and review the material. The panel will deliberate and make its decision immediately after the conclusion of the testimony and any rebuttal that is presented on the day the hearing is held.

You may also bring materials on the day of the hearing. If you choose to do so, you must also provide eight (8) collated copies 30 minutes prior to the start of the hearing. Presentations using digital materials may also be possible if you bring your own computer.

117.15 Criteria for school district reorganizations. In making any decision under ss. 117.08 to 117.132, a school board, the board and an appeal panel shall consider the following factors as they affect the educational welfare of all of the children residing in all of the affected school districts, and may consider other appropriate factors:

(1) The geographical and topographical characteristics of the affected school districts, including the estimated travel time to and from school for pupils in the school districts.

(2) The educational needs of all of the children residing in the affected school districts, the educational programs currently offered by each affected school district and the ability and commitment of each school district to meet those needs and continue to offer those educational programs.

(2m) If territory is proposed to be detached from one school district and attached to an adjoining school district or proposed to be included in a new school district under s. 117.105, whether the proposed detachment will have any adverse effect on the program currently offered by the school district from which the territory is proposed to be detached, including both curricular and extracurricular aspects of that program.

(3) The testimony of and written statements filed by the residents of the affected school districts.

(4) The estimated fiscal effect of the proposed reorganization on the affected school districts, including the effect of the apportionment of assets and liabilities.

(5) Whether the proposed reorganization will make any part of a school district's territory noncontiguous.

(6) The socioeconomic level and racial composition of the pupils who reside or will reside in territory proposed to be detached from one school district and attached to an adjoining school district, in territory proposed to be included in a new school district under s. 117.105 or in school districts proposed to be consolidated or in a school district proposed to be dissolved; the proportion of the pupils who reside in such territory who are children at risk, as defined under s. 118.153(1)(a); and the effect that the pupils described in this paragraph will have on the present and future socioeconomic level and racial composition of the affected school districts and on the proportion of the affected school districts' enrollments that will be children at risk.

(7) The results of any referendum held under s. 117.10.
