Workshop Learning Objectives

- Increased understanding of the CCR IEP Five Step Process and foundational beliefs, and how to use them to develop IEPs
- Application of the five steps to better develop IEPs designed to improve access, engagement, and progress for students with IEPs
- Identify strategies to use in preparing for and participating in IEP team meetings
- Increased awareness of CCR-IEP resources available to support the development of CCR-IEPs

Prior to participating, participants are encouraged to familiarize themselves with CCR IEP resources: [WI DPI CCR IEP web page](#).

A small amount of pre-work will be assigned prior to each session. Each participant should have access to a hard copy or online version of a student's IEP* to use during the training.

**Workshop participants are reminded of FERPA protections and are highly encouraged to redact personally identifiable information from IEPs they may happen to share with participants from other districts during workshop activities.*
