[Wisconsin 2023 Act 12](#) created a new annual legal reporting requirement for schools and districts, as outlined in [Wis. Stat. §118.124](#). The purpose of this statute is to collect data on state and local law violations that occur on school property. This requirement applies to public high schools, including independent charter schools with high school grades, and private schools participating in the Private School Choice Programs with high school grades. Under the law, these schools must report data to the Department of Public Instruction on any crimes occurring on school or district property.

Prior to completing this form, [please review this guidance](#). If you have questions, please work with your local legal counsel and then reach out to DPI's Office of Legal Services with any additional questions via email at ols@dpi.wi.gov.

This information must be reported to the school board and the Department of Public Instruction **prior to July 31, 2025**. If you have any questions regarding this form, please contact Denise Kohout at denise.kohout@dpi.wi.gov or (608) 266-0282.
