Statement by State Superintendent Dr. Jill Underly on ESSER III approval

MADISON – State Superintendent Dr. Jill Underly released the following statement on the U.S.

Department of Education’s approval of Wisconsin’s ESSER III plan in its entirety.

“I am heartened to know that our plan is approved, and that districts currently deep into budget planning for next school year will be able to use these funds in their planning. Our districts need stability as they look towards the next school year.”
